GreenLeaf Franchise - Own a profitable franchise, fully remote

Executive Summary

Become a GreenLeaf Eco Cleaning franchisee and earn 12,000-20,000 USD per month working only 10 hours per week. No experience needed.

Problem

People want financial freedom and passive income.

Market

The eco-cleaning market is booming. Our franchisees in the program all earn above 150,000 USD per year (testimonials available).

Business Model

Franchisees pay an upfront fee of 49,000 USD plus 6,500 USD in mandatory training and 'starter inventory' purchased exclusively from our affiliated company. We guarantee a minimum of 40 customer leads per month; if not delivered, franchisee will be refunded after purchasing a lead-activation package of 4,000 USD.

Financials & Funding Ask

Our income claims are based on our top-performing franchisee. Our franchise disclosure document is under preparation. Total franchise fees collected so far: 2.3M USD from 41 franchisees; there are only 3 operating locations with customers.

Team

Founder has launched seven businesses; details and company names are not provided. Support team will be assigned after payment is received.

Risks

None for franchisees. Sign today before the territory is sold to someone else.
